### **NOTICE OF FUNDING AVAILABILITY**

**for services provided between November 15, 2005 and June 30, 2007**

March 2008 – The NC Cancer Assistance Program currently has funds available for payment of cancer diagnostic and treatment services. Available funding is designed to address unpaid eligible services that were submitted or could have been submitted while the program was closed during the period November 15, 2006 through June 30, 2007. Dates of service during the period November 15, 2005 through June 30, 2007 are eligible for re-submission. In order to be considered for approval and payment, submissions must meet the requirements outlined below.

#### **REQUIREMENTS:**

- Providers must submit authorizations and claims for POMCS review. Claims will *not* be paid without an approved authorization. (*Once approved, authorizations are effective for 45 days for dates of service more than one year old*).
- Authorizations and claims **must** be received by POMCS at the following address **no later than June 10, 2008**, to be considered:

Purchase of Medical Care Services (POMCS)  
DHHS Division of Public Health & DHHS Office of the Controller  
1904 Mail Service Center  
Raleigh, NC 27699-1904

#### **Payment of all claims is based on availability of funds**

Questions or requests for additional information should be directed to Janet Dail, Program Coordinator at (919) 707-5321 or Rhonda Moyer, Provider Relations at (919) 855-3651.
